

EDF – HYDRO PRODUCTION & ENGINEERING DIVISION: **A three-fold achievement**

A SOCIETAL ACHIEVEMENT

**"Une rivière, un territoire" programme:
to boost the economy in the valleys**

Stimulating the development of innovative projects
focusing on water, energy and the environment
Make use of local skills for EDF contracts

Three building blocks: development agencies
(Rodez, Tulle, Savoie and Pyrénées, with several
more being created); a national investment fund;
shared governance with local stakeholders

TRIGGER FIGURES:

Since 2012 ,

- 370 jobs created or secured thanks to the investment fund
- 16 projects already being supported by the programme
